Exclusive deals for JCKL members:

- 1) RM168 for Elemental Onsen Immersion & Complimentary Heat Relief Therapy worth RM210 – for 1 pax
- 2) RM299 for Elemental Onsen Immersion & Complimentary Heat Relief Therapy worth RM420 – for 2 pax

The Elemental Onsen Immersion Access includes:

1. **Invigorating Cold Onsen (9°C)**

This cold onsen offers a refreshing and energizing experience that revitalizes both body and mind. Ideal for post-workout recovery, it aids muscle relief and joint pain while boosting circulation and immunity. The cold dip enhances mood and focus by triggering endorphin release, promoting mental clarity. For a balanced experience, it can be paired with warm water in contrast therapy, providing optimal relaxation and well-being.

2. **Skin Renewal Micro Nano Bubble Onsen (36°C)**

Immerse yourself in the luxurious Micro Nano Bubble Onsen, where millions of ultra-fine bubbles deeply cleanse, hydrate, and detoxify your skin. This treatment offers deep pore cleansing for a radiant complexion, stimulates collagen for anti-aging benefits, and rejuvenates with smooth, refreshed skin.

3. **Revitalizing HydroLuxe Therapy (38°C)**

Elevate your wellness routine with HydroLuxe Therapy, a hydrating and detoxifying treatment that relaxes muscles and rejuvenates skin. It deeply cleanses impurities for radiant skin, boosts oxygenation to promote cell regeneration, and relieves muscle tension for effortless recovery. The therapy strengthens immunity, offers natural antibacterial benefits to reduce skin irritations, and promotes mental calm, providing a soothing escape from daily stress.

4. **Detoxifying Salt Onsen (40°C)**

Unwind in the mineral-rich Salt Onsen, where each soak cleanses, soothes, and restores your skin's natural glow. The mineral-rich waters heal and rejuvenate the skin, detoxify the body, and relieve stress. It softens and moisturizes for a glowing complexion, boosts immune function, and eases aches and pains, offering a therapeutic escape for both body and soul.

5. **Volcanic Himalayan Salt Sauna Room**

Relax in the warm embrace of our Himalayan Salt Wall Sauna, where gentle heat and negative ions purify the air, detoxify your body, and promote radiant skin. It improves respiratory health by clearing airways and alleviating symptoms like asthma and allergies. The sauna also enhances skin health, promotes stress relief with its calming ambiance, supports immune function, and offers anti-inflammatory benefits to relieve joint and muscle pain, improving overall comfort.
